

This architectural site plan illustrates the layout of a residential unit and its surrounding outdoor spaces. The plan includes the following elements:

- UNITA' RESIDENZIALE:** The main residential building, shown in a cross-section view, with a total width of 6621 units. It features a central corridor and several rooms.
- AREA PAVIMENTATA:** A paved area measuring 647 units in width, located between the residential unit and the swimming pool.
- PISCINA:** A rectangular swimming pool measuring 300 units by 200 units, situated to the right of the paved area.
- GIARDINO:** A large garden area measuring 800 units in width, located to the right of the swimming pool. It contains a row of six rectangular planters.
- PENSILINA:** A small covered structure measuring 250 units by 250 units, located in the bottom right corner of the plan.
- INGRESSO PEDONALE E CARRABILE:** A pedestrian and vehicle entrance located at the top left of the plan.

The plan also includes various dimension lines and a scale bar indicating 0, 2, 4, 6, 8, 10, 12, 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38, 40, 42, 44, 46, 48, 50, 52, 54, 56, 58, 60, 62, 64, 66, 68, 70, 72, 74, 76, 78, 80, 82, 84, 86, 88, 90, 92, 94, 96, 98, 100 units.
